Gratitude is not only the greatest of virtues, but the parent of all the others. - Cicero

Gratitude is the fairest blossom which springs from the soul. -Henry Ward Beecher

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them. -John Kennedy

Reflect upon your present blessings, of which every man has plenty; not on your past misfortunes of which all men have some. -Charles Dickens

## Your Friends Get Our Vote!

It's politically correct to invite your friends to become your neighbors! It's smart too, because we'll give you **\$150.00 off next months rent** when a friend or acquaintance you refer moves into our community.

## Bumper Sticker Humor

- If your parents didn't have any children, chances are you won't either.
- It's lonely at the top, but you eat better.
- There are 3 kinds of people: those who can count and those who can't.
- Ever stop to think, and forget to start again?
- He who laughs last, thinks slowest.

## Let's Talk Turkey

Since 1981, Butterball has operated its Turkey Talk-Line, offering turkey selection, preparation, and storage advice to callers from the United States and Canada. If you find yourself wondering what to do next as you prepare your holiday meal, give the nice folks at Butterball a call or visit their website. They will have professionally-trained personnel available for questions from November 3 to December 26, and offer assistance in English and Spanish. Callers can also request a free Butterball pamphlet containing safe handling information, easy grilling and roasting instructions, and tasty recipes.

## Happy Thanksgiving

We give thanks for your friendship and wish you an abundance of blessings during the holiday season. Have a wonderful Thanksgiving holiday.

## Veterans Day Salute

"Eternal vigilance is the price of liberty."

- John Philpot Curran.

We would like to acknowledge all veterans, but especially those who live in our community, for the sacrifices they have made for the preservation of freedom. We appreciate your service to our country.

## Peace of Mind

If you should be the victim of theft or a fire, would you be able to replace your loss? Renter's insurance covers loss or damage to your personal property while you live in an apartment. Contact a local insurance agent to find out how you can be protected by renter's insurance. It is relatively inexpensive and can give you peace of mind.

## We're Thankful for You!

Thanks to our residents who are staying with us for another year. Residents who renew their leases are, to us, the best evidence of a job well done. It is very gratifying when our residents like living here so much that they stay year after year. Your continuous involvement is very important for developing the community spirit that makes everyone feel at home. We look forward to enjoying you in the community for another year!

## Please Don't Litter

More junk mail! If you don't want to carry it in to your apartment, please dispose of it in the trash can. Don't throw unwanted mail on the ground or floor. It is also helpful if you pick up loose items of trash you see around the hallways and parking lots. If we work together, we can keep our community a beautiful place to live.

## Many Thanks!

During this season of thankfulness, we'd like to express our appreciation to our residents who care about this community by...

- Respecting your neighbors.
- Paying rent on time.
- Obeying the property rules.
- Parking your car properly.
- Keeping balconies and patios clean and neat.
- Knowing where your children are and what they are doing.
- Sharing a friendly smile with neighbors and staff.

## Happy Birthday

To our residents with birthdays this month, may your day be one to remember and your year be one to enjoy. Have the happiest birthday ever!
